Where your ad clicks land

the funnel behind the spend

Destination type	WhatsApp only
Destination	WhatsApp message from the ad
What that means	The paid click goes straight to a chat. Nothing is measured, nothing is retargeted, and the site's on-grid/off-grid/hybrid pages - all of them - never get seen by the buyer the ad paid for.

What I found

read live, not guessed

- ! Live Telugu ad (Library ID 3529873930505195, running since 18 September 2026, multiple versions) - the Dussehra & Deepavali offer sends every click to WhatsApp; orizensolar.com receives none of the traffic.
- ! Three phone numbers across the funnel: the ad (8374 670 999 / 8374 683 999) and the site (+91 9962039859) - split numbers for one offer.
- ! The live site still carries template text: the PM Surya Ghar blurb reads 'At Your Solar Partner, we are proud to support this initiative' - the company name was never filled in.
- ! The features section is headed 'Features of Origin Solar Panels' - 'Origin', not 'Orizen' - and every 'Read More' service link points at '#' (the homepage anchor), so nothing on the site answers what the ad promises.
- ! Guntur-based with offices in Vijayawada and Tirupati, advertising into Telangana - no Telangana service-area proof for the buyer the ad is aimed at.

Recommended next steps

what I would do first

1	**Build an owned offer page** Put the Dussehra & Deepavali offer - Rs. 78,000 subsidy, 3KW/5KW discounts, WAAREE partnership - on a page you control, with name and phone captured before the WhatsApp hand-off.
2	**Fill in the template placeholders** 'Your Solar Partner' in the PM Surya Ghar blurb and 'Origin Solar' in the features heading are the first trust breaks a visitor finds.
3	**Fix the dead service links** Every 'Read More' points at the homepage anchor - the on-grid, off-grid and hybrid pages exist in the nav but are unreachable from the homepage flow.
4	**Unify the numbers and add local proof** One phone number everywhere, plus a Telangana service-area statement, turns a Guntur advertiser into a local option for the Telugu buyer.
