Solid foundation

Your homepage is in good shape. The remaining gaps are small but costly - close them before scaling ad spend.

Top priorities

what to fix first

1. **No contact form on homepage - visitors can't easily enquire**
   Fix: Put a short enquiry form (name, phone, rooftop size) above the fold on the homepage.
2. **No live chat - missing after-hours leads**
   Fix: Add a free chat widget (Tawk.to) so after-hours visitors still become leads.
3. **No H1 tag on homepage**
   Fix: Add exactly one H1 headline containing your main keyword.
4. **1 images missing alt text - hurts SEO**
   Fix: Add descriptive alt text to every image - free SEO that brings image-search traffic.
